THE *Power* OF A *EWE*

Both of these exceptional ewes come from our "M" ewe line which is one of the premier matriarchs of the Prairieland Farms Flock.

INTRODUCING OUR NEW STUD RAM

Kinetic Knittel 2245

Sire: Knittel 2023 / Dam: G&J 18-T27

Kinetic's mother's side of his pedigree possesses a powerful combination of elite MB Genetics including Impression, MB Genetics 1-680 and the 43 family.

We are charged with excitement by our new lead sire and his potential on the next generation of Prairieland Farms lambs!
